

PRIVACY POLICY

Last updated March 04, 2025

This Privacy Notice for **B2Life Corporate** ("we," "us," or "our"), describes how and why we might access, collect, store, use, and/or share ("process") your personal information when you use our services ("Services"), including when you:

Visit our website at <http://www.b2life.fr>, or any website of ours that links to this Privacy Notice

Download and use our mobile application (B2Life), or any other application of ours that links to this Privacy Notice

Use B2Life Application. B2Life supports reintegration after prison by offering help in job research and opportunities, meals, and clothing and provides a psychological AI assistant with rewards if efforts are made by the user to get back in active life.

Engage with us in other related ways, including any sales, marketing, or events

Questions or concerns? Reading this Privacy Notice will help you understand your privacy rights and choices.

We are responsible for making decisions about how your personal information is processed. If you do not agree with our policies and practices, please do not use our Services. If you still have any questions or concerns, please contact us at gabajohana77@gmail.com.

SUMMARY OF KEY POINTS

This summary provides key points from our Privacy Notice, but you can find out more details about any of these topics by clicking the link following each key point or by using our table of contents below to find the section you are looking for.

What personal information do we process? When you visit, use, or navigate our Services, we may process personal information depending on how you interact with us and the Services, the choices you make, and the products and features you use. Learn more about personal information you disclose to us.

Do we process any sensitive personal information? Some of the information may be considered "special" or "sensitive" in certain jurisdictions, for example your racial or ethnic origins, sexual orientation, and religious beliefs. We may process sensitive personal information when necessary with your consent or as otherwise permitted by applicable law. Learn more about sensitive information we process.

Do we collect any information from third parties? We may collect information from public databases, marketing partners, social media platforms, and other outside sources. Learn more about information collected from other sources.

How do we process your information? We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent. We process your information only when we have a valid legal reason to do so. Learn more about how we process your information.

In what situations and with which parties do we share personal information? We may share information in specific situations and with specific third parties. Learn more about when and with whom we share your personal information.

How do we keep your information safe? We have adequate organizational and technical processes and procedures in place to protect your personal information. However, no electronic transmission over the internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that

hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Learn more about how we keep your information safe.

What are your rights? Depending on where you are located geographically, the applicable privacy law may mean you have certain rights regarding your personal information. Learn more about your privacy rights.

How do you exercise your rights? The easiest way to exercise your rights is by submitting a data subject access request, or by contacting us. We will consider and act upon any request in accordance with applicable data protection laws.

1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, when you participate in activities on the Services, or otherwise when you contact us.

Personal Information Provided by You. The personal information that we collect depends on the context of your interactions with us and the Services, the choices you make, and the products and features you use. The personal information we collect may include the following:

- names
- phone numbers
- email addresses
- mailing addresses
- usernames
- passwords
- job titles
- contact or authentication data

Sensitive Information. When necessary, with your consent or as otherwise permitted by applicable law, we process the following categories of sensitive information:

- data about a person's sex life or sexual orientation
- information revealing race or ethnic origin
- criminal record

Social Media Login Data. We may provide you with the option to register with us using your existing social media account details, like your Facebook, X, or other social media account. If you choose to register in this way, we will collect certain profile information about you from the social media provider, as described in the section called "HOW DO WE HANDLE YOUR SOCIAL LOGINS?" below.

Application Data. If you use our application(s), we also may collect the following information if you choose to provide us with access or permission:

- **Geolocation Information.** We may request access or permission to track location-based information from your mobile device, either continuously or while you are using our mobile application(s), to provide certain location-based services. If you wish to change our access or permissions, you may do so in your device's settings.
- **Mobile Device Access.** We may request access or permission to certain features from your mobile device, including your mobile device's bluetooth, calendar, camera, and other features. If you wish to change our access or permissions, you may do so in your device's settings.
- **Push Notifications.** We may request to send you push notifications regarding your account or certain features of the application(s). If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings.

This information is primarily needed to maintain the security and operation of our application(s), for troubleshooting, and for our internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our Services, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

The information we collect includes:

- **Log and Usage Data.** Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our Services and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type, and settings and information about your activity in the Services (such as the date/time stamps associated with your usage, pages and files viewed, searches, and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called "crash dumps"), and hardware settings).

- **Device Data.** We collect device data such as information about your computer, phone, tablet, or other device you use to access the Services. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model, Internet service provider and/or mobile carrier, operating system, and system configuration information.
- **Location Data.** We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Services. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device. However, if you choose to opt out, you may not be able to use certain aspects of the Services.

Google API

Our use of information received from Google APIs will adhere to Google API Services User Data Policy, including the Limited Use requirements.

Information collected from other sources

In Short: We may collect limited data from public databases, marketing partners, social media platforms, and other outside sources.

In order to enhance our ability to provide relevant marketing, offers, and services to you and update our records, we may obtain information about you from other sources, such as public databases, joint marketing partners, affiliate programs, data providers, social media platforms, and from other third parties. This information includes mailing addresses, job titles, email addresses, phone numbers, intent data (or user behavior data), Internet Protocol (IP) addresses, social media profiles, social media URLs, and custom profiles, for purposes of targeted advertising and event promotion.

If you interact with us on a social media platform using your social media account (e.g., Facebook or X), we receive personal information about you from such platforms such as your name, email address, and gender. You may have the right to withdraw your consent to processing your personal information. Learn more about withdrawing your consent. Any personal information that we collect from your social media account depends on your social media account's privacy settings. Please note that their own use of your information is not governed by this Privacy Notice.

2. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- To facilitate account creation and authentication and otherwise manage user accounts. We may process your information so you can create and log in to your account, as well as keep your account in working order.
- To deliver and facilitate delivery of services to the user. We may process your information to provide you with the requested service.
- To send administrative information to you. We may process your information to send you details about our products and services, changes to our terms and policies, and other similar information.

- To save or protect an individual's vital interest. We may process your information when necessary to save or protect an individual's vital interest, such as to prevent harm.

3. WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR INFORMATION?

In Short: We only process your personal information when we believe it is necessary and we have a valid legal reason (i.e., legal basis) to do so under applicable law, like with your consent, to comply with laws, to provide you with services to enter into or fulfill our contractual obligations, to protect your rights, or to fulfill our legitimate business interests.

The General Data Protection Regulation (GDPR) and UK GDPR require us to explain the valid legal bases we rely on in order to process your personal information. As such, we may rely on the following legal bases to process your personal information:

- **Consent.** We may process your information if you have given us permission (i.e., consent) to use your personal information for a specific purpose. You can withdraw your consent at any time. Learn more about withdrawing your consent.
- **Performance of a Contract.** We may process your personal information when we believe it is necessary to fulfill our contractual obligations to you, including providing our Services or at your request prior to entering into a contract with you.
- **Legitimate Interests.** We may process your information when we believe it is reasonably necessary to achieve our legitimate business interests and those interests do not outweigh your interests and fundamental rights and freedoms. For example, we may process your personal information for some of the purposes described in order to:
- **Legal Obligations.** We may process your information where we believe it is necessary for compliance with our legal obligations, such as to cooperate with a law enforcement body or regulatory agency, exercise or defend our legal rights, or disclose your information as evidence in litigation in which we are involved.
- **Vital Interests.** We may process your information where we believe it is necessary to protect your vital interests or the vital interests of a third party, such as situations involving potential threats to the safety of any person.

In legal terms, we are generally the "data controller" under European data protection laws of the personal information described in this Privacy Notice, since we determine the means and/or purposes of the data processing we perform. This Privacy Notice does not apply to the personal information we process as a "data processor" on behalf of our customers. In those situations, the customer that we provide services to and with whom we have entered into a data processing agreement is the "data controller" responsible for your personal information, and we merely process your information on their behalf in accordance with your instructions. If you want to know more about our customers' privacy practices, you should read their privacy policies and direct any questions you have to them.

4. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

In Short: We may share information in specific situations described in this section and/or with the following third parties.

We may need to share your personal information in the following situations:

- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

- When we use Google Maps Platform APIs. We may share your information with certain Google Maps Platform APIs (e.g., Google Maps API, Places API). Google Maps uses GPS, Wi-Fi, and cell towers to estimate your location. GPS is accurate to about 20 meters, while Wi-Fi and cell towers help improve accuracy when GPS signals are weak, like indoors. This data helps Google Maps provide directions, but it is not always perfectly precise.
- **Offer Wall.** Our application(s) may display a third-party hosted "offer wall." Such an offer wall allows third-party advertisers to offer virtual currency, gifts, or other items to users in return for the acceptance and completion of an advertisement offer. Such an offer wall may appear in our application(s) and be displayed to you based on certain data, such as your geographic area or demographic information. When you click on an offer wall, you will be brought to an external website belonging to other persons and will leave our application(s). A unique identifier, such as your user ID, will be shared with the offer wall provider in order to prevent fraud and properly credit your account with the relevant reward.

5. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies help us maintain the security of our Services and your account, prevent crashes, fix bugs, save your preferences, and assist with basic site functions.

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests which may appear either on our Services or on other websites.

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

6. DO WE OFFER ARTIFICIAL INTELLIGENCE-BASED PRODUCTS?

In Short: We offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies.

As part of our Services, we offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies (collectively, "AI Products"). These tools are designed to enhance your experience and provide you with innovative solutions. The terms in this Privacy Notice govern your use of the AI Products within our Services.

Use of AI Technologies

We provide the AI Products through third-party service providers ("AI Service Providers"), including OpenAI. As outlined in this Privacy Notice, your input, output, and personal information will be shared with and processed by these AI Service Providers to enable your use of our AI Products for purposes outlined in "WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR PERSONAL INFORMATION?" You must not use the AI Products in any way that violates the terms or policies of any AI Service Provider.

Our AI Products

Our AI Products are designed for the following functions:

- AI bots

How We Process Your Data Using AI

All personal information processed using our AI Products is handled in line with our Privacy Notice and our agreement with third parties. This ensures high security and safeguards your personal information throughout the process, giving you peace of mind about your data's safety.

How to Opt Out

We believe in giving you the power to decide how your data is used. To opt out, you can:

- Log in to your account settings and update your user account

7. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

In Short: If you choose to register or log in to our Services using a social media account, we may have access to certain information about you.

Our Services offer you the ability to register and log in using your third-party social media account details (like your Facebook or X logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile information we receive may vary depending on the social media provider concerned, but will often include your name, email address, friends list, and profile picture, as well as other information you choose to make public on such a social media platform.

We will use the information we receive only for the purposes that are described in this Privacy Notice or that are otherwise made clear to you on the relevant Services. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use, and share your personal information, and how you can set your privacy preferences on their sites and apps.

8. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this Privacy Notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than four (4) months past the start of the idle period of the user's account.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

9. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short: We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other

unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

10. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: In some regions, such as the European Economic Area (EEA), United Kingdom (UK), and Switzerland, you have rights that allow you greater access to and control over your personal information. You may review, change, or terminate your account at any time, depending on your country, province, or state of residence.

In some regions (like the EEA, UK, and Switzerland), you have certain rights under applicable data protection laws. These may include the right (i) to request access and obtain a copy of your personal information, (ii) to request rectification or erasure; (iii) to restrict the processing of your personal information; (iv) if applicable, to data portability; and (v) not to be subject to automated decision-making. In certain circumstances, you may also have the right to object to the processing of your personal information. You can make such a request by contacting us by using the contact details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below.

We will consider and act upon any request in accordance with applicable data protection laws.

If you are located in the EEA or UK and you believe we are unlawfully processing your personal information, you also have the right to complain to your Member State data protection authority or UK data protection authority.

If you are located in Switzerland, you may contact the Federal Data Protection and Information Commissioner.

Withdrawing your consent: If we are relying on your consent to process your personal information, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us by using the contact details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below or updating your preferences.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Opting out of marketing and promotional communications: You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send, or by contacting us using the details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below. You will then be removed from the marketing lists. However, we may still communicate with you — for example, to send you service-related messages that are necessary for the administration and use of your account, to respond to service requests, or for other non-marketing purposes.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and update your user account.
- Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud,

troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

Cookies and similar technologies: Most Web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove cookies and to reject cookies. If you choose to remove cookies or reject cookies, this could affect certain features or services of our Services.

If you have questions or comments about your privacy rights, you may email us at gabajohana77@gmail.com.

11. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Notice.

12. DO WE MAKE UPDATES TO THIS NOTICE?

In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated "Revised" date at the top of this Privacy Notice. If we make material changes to this Privacy Notice, we may notify you either by prominently posting a notice of such changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

13. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?

If you have questions or comments about this notice, you may contact our Data Protection Officer (DPO) by email at gabajohana77@gmail.com, by phone at +33767520573, or contact us by post at:

14. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

Based on the applicable laws of your country, you may have the right to request access to the personal information we collect from you, details about how we have processed it, correct inaccuracies, or delete your

personal information. You may also have the right to withdraw your consent to our processing of your personal information. These rights may be limited in some circumstances by applicable law. To request to review, update, or delete your personal information, please fill out and submit a data subject access request.
